**#180 - Stretch
Traditional
Straight Cut**

The Stretch Traditional Straight Cut has a traditional fit and tapered leg for a slimmer fit. Featuring a boot cut and a stone wash for just the right amount of style, these jeans stretch 2" in the waist, seat and thigh, allowing for maximum comfort. This classic jean has a rise that is tailored to better fit your body, cutting out excess fabric hanging from the back seat and giving you better quality of comfort. Made from 12.5 oz. denim, 98% cotton and 2% stretch.
